- 2. Between 9 and 15 October, the barracks installation west of Leipziger Strasse (8001) in Altenburg was occupied by an estimated 1,000 soldiers wearing red-bordered black epaulets with artillery insignia. On 9 October, 6 x 152-mm gun powitzers were seen in the installation and 5 x 85-mm AT guns in firing position were in the area north of the installation. The barrels of the AT guns had telescopic sights mounted on them. Soldiers practiced firing at moving targets.
- 3. On 15 October, two columns came from the direction of the kasernes and proceeded toward the town. The first column consisted of 22 trucks including 3 trucks with ammunition, 12 trucks towing medium AT guns and occupied by 14 soldiers each, and 2 radio trucks. The soldiers wore red-berdered black epaulets with artillery insignia. The second column consisted of 20 trucks including 8 trucks towing 85-mm AT guns and occupied by 14 soldiers each, 2 trucks with field kitchens, 1 ambulance and 3 radio trucks.
 - On 16 October, the installation east of Leipziger Strasse was occupied by approximately 500 soldiers wearing red-bordered black epaulets with artillery insignia and the installation west of Leipziger Strasse was occupied by approximately 1,000 soldiers wearing red-bordered black epaulets with artillery and, a few, with motor transport insignia. Approximately 40 soldiers received instruction on 3 x 152-mm gun howitzers in the yard of the installation west of Leipziger Strasse. Approximately 120 soldiers drilled. 1

On 10 October, approximately 2,000 recruits wearing black-bordered crimson epaulets arrived in Weimar on 58 boxcars and marched to the Tannenberg Kaserne (8502).

5.	Between 12 and 18 October, the following troop shipments left	
	Weimar in the directions indicated:	
	12 October: 70 recruits toward Eisenach; 150 soldiers toward Gera;	· .
	16 October: 100 dischargees toward Berlin; 30 boxcars in an undetermined direction;	
	18 October: 500 recruits toward Naumburg; Several groups of dischargees in an undetermined direction.	
	Other groups of dischargees arrived in Weimar on 18 October.	
6.	On 10 October, the Luetzendorf Kaserne (8503) in Weimar was occupied as follows by at least 1,200 soldiers: the first eastward building by signal and motor transport units, the second and third building by soldiers received by the second and third building by soldiers.	
	the second and third building by soldiers wearing black-bordered red epaulets, the fourth building by artillery and motor transport units, and the west section of the installation by the hospital.	
7.	Between 12 and 18 October, all military installations in Weimar appeared to be occupied to capacity.1	
8.	On 15 October, a troop train with 8 to 10 tanks and several trucks left Arnstadt toward the east.2	
9.	At 1900 on 20 October, a troop train passed through the Jena railroad station. It came from the west, proceeded toward Gera and carried 20 trucks, 10 to 12 tractors, 10 to 12 guns and, on about 10 boxcars, an undetermined number of personnel.1	
10.	On 18 October, soldiers received instruction on 6 x 100-mm AT guns, and 4 x 122-mm howitzers in the Reuss Kaserne (8141) in Gera. The installation appeared to be occupied as previously.	
11.	On 15 and 18 October, the Banzer Kaserne (8142) in Tinz was occupied by at least 200 soldiers. The occupation strength appeared to have increased slightly. Aiming was practiced with 3 T-34/85 tanks.

14.	Units from the serne and the Panzer Kaserne in Tinz reportedly left Jena during the nights prior to 15 October.	
15.	On 15 and 16 October, the Reuss Kaserne was occupied by an estimated 1,000 soldiers wearing red-bordered black and, a few, black-bordered red epaulets. About 25 percent of the windows of the installation were lit at dusk. Eight guns, presumably 100-mm AT guns, were seen in a gun shed. Motor vehicles entered and left the installation.	25x 25x
16.	On 15 October, approximately 120 soldiers wearing red-bordered black epaulets with tank insignia were lined up for a roll call in the Panzer Kaserne in Tinz. On 16 October, soldiers were drilled in the barracks yard.	
17.	During the night on 21 October, major units were unloaded at the Gera railroad station. At 0100, approximately 15 T-34/85 tanks and several trucks entered the Panzer Kaserne in Tinz and 8 tractors with 100-mm AT guns and several small truck columns entered the Reuss Kaserne. 1	25>
18.	On 21 October, loadings and preparations for other loading were observed at the Crawinkel railroad station. Approximately 20 T-34/85 tanks about 5 SU-100 guns and 10 trucks were seen during the loadings.	252
19.	On 14 October, approximately 200 soldiers cleaned 12 to 15 rocket launchers and motor vehicles in the Prinz Louis Ferdinand Kaserne (8481) in Saalfeld. The installation appeared to be occupied to capacity by an estimated 1,500 soldiers. According to the condition of weapons and equipment, the unit had only recently returned from an exercise.	
20.	Between 13 and 15 October, the Prinz Louis Ferdinand Kaserne in Saalfeld was occupied by approximately 400 soldiers wearing redbordered black epaulets, 200 soldiers wearing black-bordered black epaulets and 200 soldiers wearing black-bordered red epaulets. On 25 October, a truck with 3 engineer officers was seen at the Hohenwarthe dam.	
21.	Between 4 and 8 October, the Infanterie Kaserne (8541) east of Friedens Strasse in Zeitz was occupied by approximately 250 soldiers wearing red-bordered black epaulets and a military band of 25 to 30 soldiers wearing black-bordered red epaulets.	25: 25:
22.	Between 4 and 8 October, the Artillerie Kaserne (8542) west of Friedens Strasse in Zeitz was occupied as previously by approximately 100 soldiers wearing red-bordered black epaulets including 50 soldiers with tank insignia. On 8 October, T-34/85 tank left the installation.	25
